

# INVITATION TO INFRASTRUCTURE CHARRETTE NO. 8 FUTURE OF LAND

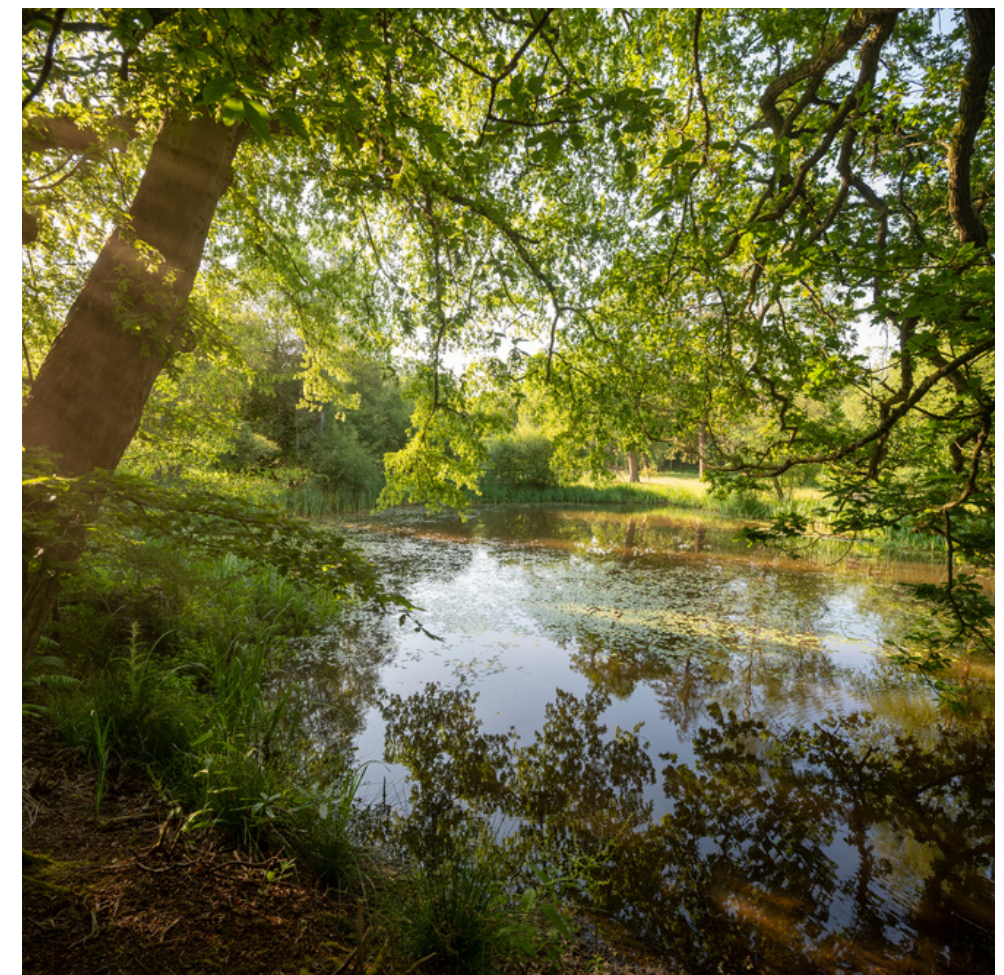

Gascoyne Estates looks forward to welcoming you to the latest of our Infrastructure Charrettes, focussing on the key questions around rural land in Hertfordshire.

Land is central to so many of the challenges we face in the transition to a net-zero society. It is also a fundamentally constrained resource, subject to complex legislative, social and economic challenges. With the climate crisis marching on, we ask some fundamental questions:

**What is Hertfordshire's land for?**

**How do food production, development, carbon and biodiversity interact?**

**How do we work together to achieve healthy, sustainable and profitable landscapes?**

**THURSDAY 5TH OCTOBER  
1:00PM - 5:30PM  
THE RIDING SCHOOL, AL9 5HX**

More information and a detailed programme will be provided in the coming weeks.
