for City Children

Your generosity Changes lives

The CLA Charitable Trust, funded almost entirely by CLA members, provides grants to charities and community organisations in England and Wales that share its aims of:

- advancing people's physical and mental health and wellbeing through access to, and recreational and educational opportunities within and about, the countryside; and
- promoting and encouraging education in sustainable farming, food production and rural land management.

Since its foundation in 1980, the CLA Charitable Trust has given more than £2m in grants to a wide variety of organisations and projects. Visit our website to find out about the latest charitable projects we have been supporting.

Each year, many deserving charities contact us for much-needed financial support. With your help we can give more people the opportunity to discover, enjoy and benefit from the countryside.

Membership donations – many CLA members support the great work of the CLA Charitable Trust, and their generosity makes a big difference to a significant number of people. You can choose to add your donation to your CLA membership subscription, and you can change the level of your donation at any time by contacting the Trust Administrator.

One-off donations – you can donate using PayPal or your credit or debit card via the Charities Aid Foundation website (www.cafonline.org/donate), or you can send the Trust Administrator a cheque made payable to “CLA Charitable Trust”.

Regular giving – help us receive a regular income by setting up a Standing Order. Please contact us for more detail.

Legacy planning – you can make a real difference by remembering us in your will. Please get in touch with us to discuss this further.

Grant applications – please refer to the guidelines on our web page to check if your charity or not-for-profit organisation qualifies for funding. If it does, simply download and complete an application form to apply. The Trustees meet quarterly to consider applications.
